

amiad filtration systems®

Customer: Kimberly-Clark Corporation - Scott's Paper

Location: Everett, Washington, USA

Filter Type and Quantity: 5x 12" EBS W/50 μ

Water Source: City water provided from a lake

Flow Rate: 10000gpm at 80-90psi

Installation Details: The city water is provided from the lake via long and old pipeline system. The paper mfg. plant was using the old multi-media filters (shown in the photo) at the plant intake to protect all their equipment. They chose to replace them with the AMIAD new screen technology.

Installation Date: 6/1995
